RELEVANT EXPERIENCE

Appian Capital Brazil   **Belo Horizonte, Brazil**
Private Equity Intern   May 2024 – August 2024
- Assisted the Financial Planning & Analysis (FP&A) team in the $60 million OMNIGEN project, contributing to financial planning adjustments (e.g., CAPEX, OPEX) based on updated KPIs and metrics.
- Updated and refined the company's financial model, ensuring accuracy and relevance for forecasting and valuation purposes.
- Collaborated with the Business Development team on M&A analysis and investment evaluations, assessing growth opportunities and identifying potential risks in target companies.
- Prepared presentations and reports that effectively communicated key financial insights and recommendations to senior management, aiding strategic decision-making.

University of Oklahoma   **Norman, OK**
Mathematics Tutor   January 2023 – December 2023
- Provided targeted academic support to students in first year and upper-division courses, including Developmental Mathematics 1 and 2, Econ Statistics, Business Pre-Calculus and Calculus 1.

LEADERSHIP

OU Tennis Club   **Norman, OK**
President   August 2024 – Present
- Organizes and leads weekly practices and events, fostering a strong team culture focused on competition and camaraderie

Brasa OU   **Norman, OK**
Vice President   August 2023 – Present
- Coordinates cultural and academic events, including networking opportunities for over 50 attendees.
- Played a key role in transitioning the organization from BRASO, an independent entity, to Brasa, an internationally recognized Brazilian network with affiliates at universities worldwide.
